

Tiffany Beauty Spa Under New Management, with New and Expanded Services

Fort Lauderdale, Florida Sep 27, 2022 (Issuewire.com) - Tiffany Beauty Spa today announced that the company is under new management and will be providing area residents and customers with an expanded line of beauty and wellness service offerings. In addition to its existing and longstanding line of massage, nail care, facial care, and lash services, Tiffany Beauty will be adding services focused on IV therapies, Botox and fillers, injection treatments, and more.

“Tiffany Beauty Spa has earned its reputation as one of the premier sources for top-notch nail and lash care, facial treatments, and massage therapy,” a company spokesperson said. “As the spa launches the next phase of its business journey under new management, we are excited to bring an expanded range of beauty and wellness options for our friends and neighbors in the Fort Lauderdale region.”

Still providing superior nail, lash, massage, and facial care services

While the company’s service line is evolving, it remains committed to maintaining the quality care its loyal customers have come to expect. To achieve that goal, Tiffany Beauty Spa will continue to retain many of the best massage therapists in the area, as well as experienced and competent nail and lash technicians, and facial care professionals. Together, those committed staff members will work to fulfill

Tiffany's mission of providing the best beauty care in Fort Lauderdale.

New services to expand customer access to superior wellness solutions

According to Tiffany Beauty, the new management is focused on helping its clients to access a wide array of non-traditional wellness options to improve their health, address visible signs of aging, and mitigate pain and other types of discomfort. Those wellness options include both ancient and modern solutions like:

- IV therapies can help clients address hydration needs, increase energy levels and immunity, enhance athletic performance and recovery, and improve everything from libido to mood. Customers can even consult with an expert to develop their own custom IV drip!
- Injection treatments like Botox and fillers to address fine lines and wrinkles, as well as medical weight management support.
- Acupuncture and biopuncture treatment options can provide relief from pain and many other ailments.

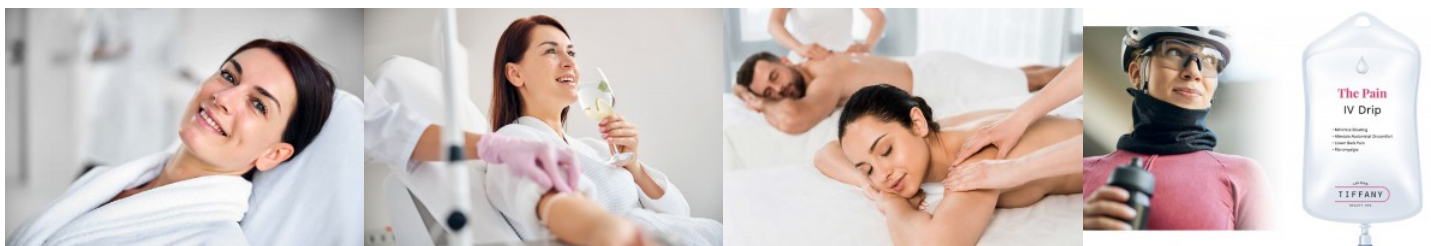

The company's spokesperson noted that these new services were specifically chosen to ensure that customers have the broad range of solution options needed to meet their unique needs. "At Tiffany Beauty Spa, we are committed to working with our clients to help them not only look their best but feel their best too. We look forward to providing these services to the wonderful people in the area and demonstrating why we believe that we have the best spa staff in Fort Lauderdale!"
