

Weekend Marriage Counseling Appointments Now Available for New Jersey Residents at Open Door Therapy

Princeton, New Jersey Sep 4, 2022 ([IssueWire.com](http://www.IssueWire.com)) - *New Jersey Counseling Service Provider Expands Hours for Busy Professionals*

Relationship-focused Licensed Professional Counselor and CEO of Open Door Therapy, Terri DiMatteo, has announced the addition of weekend appointments. Open Door Therapy, a professional relationship counseling private practice, offers online counseling to individuals and couples struggling in their relationships.

Open Door Therapy remains committed to helping individuals and couples throughout every relationship stage: dating, commitment, pre-marriage, and marital repair. Open Door Therapy specializes in affair recovery counseling.

New clients begin with an in-depth intake form, allowing DiMatteo to fully understand each individual's or couple's specific needs and concerns. DiMatteo then develops a customized treatment plan for outcome enhancement. DiMatteo relies upon the most current research methods on emotional regulation and partner buffering to help secure effective and long-lasting results.
