[ABOUT WORLD CHASE TAG®](#)

World Chase Tag® (WCT) combines the dynamic athleticism of Parkour with the age-old game of Tag. Invented by brothers Christian and Damien Devaux in the U.K., the competition began in 2016 and has quickly built a cult following around the world, securing millions of online views.

World Chase Tag® is the ultimate test of 1-on-1 pursuit, fought out on an unforgiving arena of steel & wood, between athletes displaying extraordinary speed & agility as they juke, leap & lunge to make a point-saving tag. 20 teams from across the country (featuring world-class parkour athletes, Hollywood stuntmen, Ninja Warrior finalists, and an Olympic Track & Field silver medallist) compete across 5 rounds of knockout matches culminating in an extraordinary battle to take home the Second Annual World Chase Tag® USA Championship trophy.
