

## Citrus City Grille Announces New Ownership, Celebrates 27 Years Of Business

**Orange, California Oct 21, 2022 ([IssueWire.com](https://www.issuewire.com))** - Citrus City Grille has revealed new ownership of their longtime Orange-based restaurant. Since first opening in 1996 by Steve Tsirtsis, he and the family built what quickly became an iconic part of the Old Towne Orange aesthetic, serving up incredible contemporary American cuisine with a touch of Mediterranean. New owner and restaurant industry veteran Charlie Cosmas alongside his family have been longtime patrons of Citrus City Grille, and as of July 2022 has taken over day-to-day operations.

Charlie Cosmas speaks further on the new ownership: “Working with Steve and his family on this opportunity was an incredible privilege, and I know that helping to carry on the legacy of Citrus City Grille is something very special. We are keeping the menu, culture, and essence of the restaurant completely intact, and are thrilled to carry the torch for years to come”

Steve Tsirtsis comments: “We are thrilled to have the Cosmas family running Citrus City Grille. I knew the day we met Charlie and his family that the restaurant would be in good hands and that they understand our core values and the passion for the City of Orange that we all share. We thank our loyal guests for their patronage and look forward to the decades ahead for customers old and new.”
