Here are the murder mystery books of Author Frederick Bruce :

Sex, Murder, Betrayal

Published Date: September 8, 2022

Synopsis: A professional business relationship unexpectedly leads to an impromptu sexual encounter. This evolves into an illicit affair that continues over a period of time. The experience propels one of the leading characters to be considered a person of interest in a murder investigation. Sex, Murder, and Betrayal begin routinely as a scenario common to the manner in which most business relationships are conducted. Where it leads is totally unexpected, especially when murder becomes the main focus of the story. The location of the murder is in a small city where murder is a crime that is almost nonexistent. The investigative team includes an aging Irish American detective, within months of his retirement. His new partner is an Englishman, working part-time, and having previously retired from Scotland Yard. This unlikely team, characters in their own right, work together in their assignment to solve the murder. The reader is brought along, step by step, with these two characters in their crime-solving efforts.
