

Join the Comeback Musical Journey of Talented Star Shad Rabbani

Making the perfect comeback, the promising composer and producer, Shad Rabbani has just released 'Piano in Paradise' and 'Spotlight' which are musically cheerful.

Los Angeles, Oct 20, 2022 (IssueWire.com) - The Electronic Dance Music genre is full of bangers and upbeat music that are known for making people come directly to the dance floor and feel the energy in their moods. The songwriter, composer, and producer, **Shad Rabbani** seems to have mastered this genre. He is also known for his versatility as he can easily make tracks that are mixed with the EDM and pop genres. The recent two releases, '[Piano in Paradise](#)' and '[Spotlight](#)' are also fine examples of his versatility and his caliber of creating unique blends of two different genres and making people groove along with the beats. These two tracks are part of his comeback album, 'Music', which is full of EDM bangers with funky pop beats.

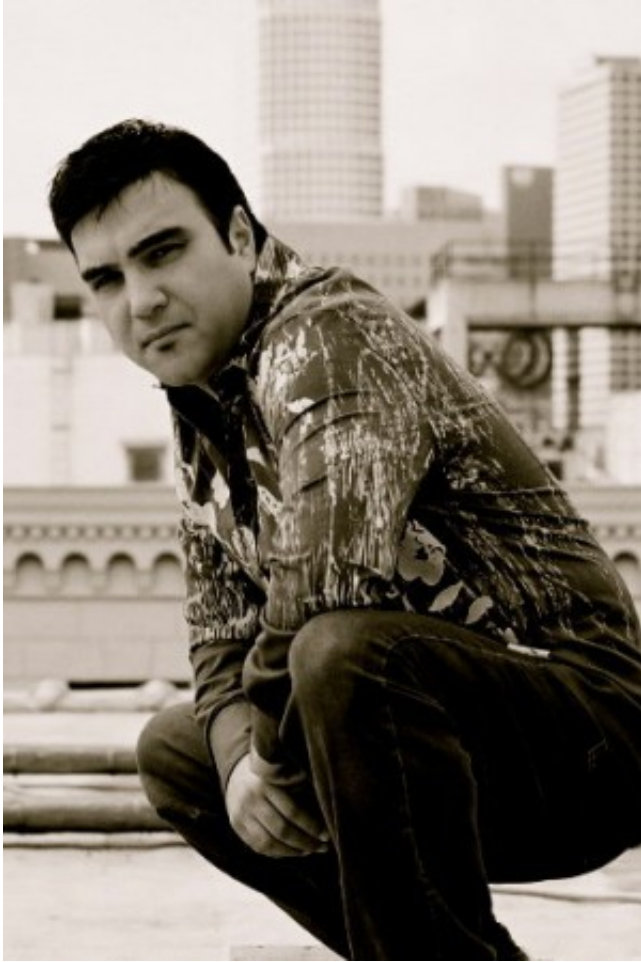

The most unique thing about these two tracks is most definitely their composition which shines a light on the producer's ability to create something perfect for party anthems. In the track, '**Spotlight**', the LA-based EDM/pop producer and composer collaborated with rising talent, Britney Sparks which resulted in this beautiful track that is making the listeners keep it on repeat. The funky pop tunes mixed ideally with progressive house beats created magic and the true magician of this is **Shad Rabbani**. Making the name live its meaning, '**Piano in Paradise**' is another track from the same album that will instantly put you in a good and energetic mood.

'Music', 'Rebellion', 'Ibiza Feel', 'Let's Make Lots Of Money' etc. are other tracks from the latest album 'Music' which is the perfect comeback for the artist, and the listeners can listen to artistic growth, and maturity that the artist showed in the project. Released under the label, **Time Zone Records**, the album is now available on **Spotify**, [SoundCloud](#), and [YouTube](#) along with his entire discography. Followers can follow him on [Facebook](#), [Twitter](#), and [Instagram](#) for more details.
