

## **Ossy Oneal, Whistleblower, Releases New Feature Film Originally Created for Crime Prevention**

Ossy Oneal (Austin Jones) has a feature film on Tubi that was originally created for crime prevention associated with White Supremacy and released it on Tubi

# LET THERE BE VENGEANCE

**BUFFALO 8 AND OSSUM FILMS** IN ASSOCIATION WITH **OSSUM FILMS** A **AUSTIN JONES** FILM  
"LET THERE BE VENGEANCE" STARRING **AUSTIN JONES** EXECUTIVE PRODUCED BY **MATTHEW**  
**HELDERMAN LUKE TAYLOR**

**Alabaster, Alabama Oct 12, 2022 ([IssueWire.com](http://IssueWire.com))** - Austin Jones also known as Ossy Oneal is a whistleblower for the US government agencies and has chosen to use his talents for the greater good. Ossy has created a feature film to communicate with white supremacists his views on the subject of race and racial relations. This new, original film, called "Let There Be Vengeance" is about a black man that commits a sin against a white man and ends up getting a mysterious voice in his head. The entire film was improvisation, including the voice-over. It is a chamber film with a different take on filmmaking. We have Buffalo 8 Distribution Company to thank for distributing this film.

Ossy Oneal is a music artist out of Birmingham, Alabama that is skilled in music and dance, this is his debut film, and has structured his career to display his belief in God.

A mysterious voice ends up inside an "innocent" victim's head and takes him through a series of twists and turns in this psychological drama.

This film is different from any film, as it is a chamber film, and it really allows the actor to focus on the acting!
