New Delhi, Delhi Oct 11, 2022 (Issuewire.com) - Roar Wellness is one of the oldest **alcohol and drug rehabilitation centres in Delhi**. This premium Rehabilitation Centre was founded by Mr. Madhav who is a social activist and entrepreneur. Roar Wellness is working tirelessly and ethically to tackle the issue of addiction through professional and specialist treatment programs, with the 12 Steps as the foundation of it, for a wide array of addictive substances including **Alcohol, Drugs, Cocaine, Heroin, Marijuana, Depression, Anxiety, OCD and Mental Disorders**. Roar Wellness continues to aspire to be India's leading independent provider of **addiction treatment services**, since its beginnings in 2013.

Roar Wellness is well known for addressing addiction-related issues and providing relief from substance use disorder while promoting physical and mental well-being. The 24×7 services offered by [Roar Wellness Rehab Centre](#) work on the principles of the 12-step program.

The team of expert doctors, psychiatrists, clinical psychologists, and counsellors work in unison to approach the disease holistically while curating a customized solution for their patients. The initial aim is to prevent the disorder from proliferating while eventually, the experts work towards successful recoveries. The sustenance of the patient's mental health and well-being is the foremost priority at Roar Wellness while paving a path for recovery that includes Dual Diagnosis Treatment, Yoga and

Medication, Counselling, and Therapy.

Incredibly effective treatments provided by Roar Wellness the [Nasha Mukti Kendra Delhi](#) include therapies that are directed towards treating mental health problems and behaviors that promote addiction. The entire treatment mechanism at **Roar Wellness** is designed to identify primary triggers and combat them slowly but effectively over an extended period.

The team of **Roar Wellness** besides Mr. Madhav, the founder himself, chiefly includes Mr. Dhruv Singh Tanwar who is the director, and **Dr. Manish Sarkar** (Medical Director). **Dhruv Singh Tanwar** besides being the director at Roar is also a social activist. Dhruv is also a regular volunteer at various youth and social development programs. He is passionate about sharing the knowledge he has acquired on his life's journey. Dhruv is a young energetic person; thereby he understands the gravity of the issue of addiction which is most prevalent among youngsters. Dhruv is a fount of knowledge in the medical discipline and aims to employ his knowledge in aiding Roar Wellness in offering holistic treatments to a wide range of problems

Dr. Manish Sarkar is a **Prudent Psychiatrist** having in-depth knowledge in the field. He is an elite alumnus of the Apex Institute of Psychiatry in India, NIMHANS (Bangalore). He is highly competent to handle a broad range of psychiatric disorders with considerable ease. Besides proving his mettle in psychiatry, the medical director of Roar Wellness, is also a gifted speaker who believes that his experience in psychiatry can become the foundation for other medical professionals to contribute to the cause of mental health.

The entire team of our [rehab in Delhi](#) works in collaboration to come up with versatile treatment plans at **Roar Wellness** which offer a continuous support apparatus that assists the patient calmly through the withdrawal stages and prevents relapses.

The addiction treatments required by patients are not streamlined, the needs vary from one patient to another, rather substantially so. Thus, it's implausible to provide a one-size-fits-all solution for all kinds, forms, and types of patients and their issues. Having a deep-seated foundation based on the ideals of mental and physical wellness, our [de addiction centre in Delhi](#) offers state-of-the-art addiction treatment to a wide array of patients while ensuring each one of them is under the care of specialized staff along with getting effective treatment mechanisms and excellent facilities. Treatments and services at Roar Wellness are designed to provide detailed attention and one-on-one care to each client.

Roar Wellness work in collaboration with a number of doctors and medical practitioners who excel in different areas which makes tackling a wide variety of issues ranging from anxiety, and depression to addiction treatments efficacious. Part of the success rate of treatment mechanisms at Roar Wellness can be ascribed to the top-quality research that forms the basis of all the rehabilitation programs at **Roar Wellness**.

The ultimate aim of the de-addiction treatments is to achieve long-term sobriety, medical experts at Roar Wellness [alcohol rehabilitation centre in Delhi](#) work jointly to come up with individualized solutions aimed at sustainable recovery. The targeted approach undertaken by corresponding experts at Roar Wellness focuses on the unique requirements of a patient which maximized the potential of treatment.

Treatment takes place in a luxury setting as **Roar Wellness** provides access to a relaxing environment to further amplifies the odds of recovery which is further catapulted by an incredibly high level of expertise. The luxurious accommodations facilitate therapy sessions and activities for mindfulness; the

idyllic settings have proved to have a significant effect on human minds. Furthermore, [Roar Wellness's treatment programs](#) are known for their flexibility as people can select a treatment plan based on their short- or long-term prospects.
