

Sally A. Booth, MD, FAAD, FASDS, a Dermatologist with Booth Dermatology Group, PC

Get to know Dermatologist Dr. Sally A. Booth, who serves patients in Zionsville, Indiana.

New York City, New York Oct 4, 2022 ([Issuewire.com](https://www.issuewire.com)) - A well-regarded dermatologist, Dr. Booth oversees Booth Dermatology Group, PC in Zionsville, Indiana. She has provided exceptional dermatologic care since 1994 and is highly trained in all forms of dermatology, including invasive and non-invasive procedures, advanced laser technology, and skin care products.

On a typical workday, she deals with a wide variety of disorders, including sunspots and skin cancers. Other typical skin consultations include acne, psoriasis, atopic eczema, skin infections such as warts, mole surveillance, melasma, occupational dermatitis, and performs MOHS micrographic surgery.

With a broad educational background, Dr. Booth earned a Bachelor of Science degree in Biology and Anthropology from Indiana University, where she graduated with honors. She subsequently received a Master of Science degree in Hospital Administration from Trinity University. After receiving her medical degree from the University of Minnesota Medical School in 1990, she completed an internship at Hennepin County Medical Center. Finally, she completed a residency in dermatology at the world-renowned Mayo School of Graduate Medical Education.

Given her intimate skin knowledge and medical science training, she can deliver effective and safe cosmetic services including body contouring with Ultrashape®, SmartLipo™, liposuction, facial fillers, and BOTOX® Cosmetic. She is also very skilled with laser-assisted procedures that alter the appearance, including the Fraxel CO2 Laser, Fractora™, V-Beam Perfecta, Alma AFT, and Invasix RF skin tightening, and birthmark removal.

Actively involved in her field, the doctor is board-certified by the American Board of Dermatology (ABD), and serves as a member of the Indianapolis Medical Society, the American Society for Mohs Surgery, the American Medical Association, the Indiana Academy of Dermatology, the Indiana State Medical Association, and the Alpha Omega Alpha Honor Medical Society.

Moreover, Dr. Booth is a Fellow of the American Academy of Dermatology (FAAD), a Fellow of the American Society for Dermatologic Surgery (FASDS), and has served as an Adjunct Instructor at the Touro University California College of Osteopathic Medicine.

Dermatology is the branch of medicine dealing with the skin. The skin is the largest organ of the body. Dermatology is a specialty with both medical and surgical aspects. A dermatologist is a specialist doctor who manages skin diseases and deals with both internal and external causes and some cosmetic concerns involving the skin. Dermatological duties include taking consultations, providing screening tests, and undertaking non-invasive surgical procedures.

In addition to her professional pursuits, Dr. Booth owns a farm in Zionsville, where she enjoys gardening and horseback riding. Committed to helping her community, she provides free skin cancer screenings and contributes her time to the Gennesaret Free Clinic.
