

## Aeromed Group welcomes Simone Totti as Chief Commercial Officer

**Charlotte, North Carolina Nov 2, 2022** ([IssueWire.com](https://www.issuewire.com)) - The [Aeromed Group Company](#), a rising private equity firm specializing in supply chain technology and tail spend solutions for the aerospace and defense industry, welcomes [Simone Totti](#) to the role of Chief Commercial Officer. In his role, Simone will be focused on the growth of the Aeromed Group.

With his strategic mindset and vast experience in enhancing a company's value proposition across all goods and services, Simone brings 20 years of executive and global business development expertise to leading companies across the Aerospace and Defense industry, including Wesco Aircraft, L-3 Communications- Aviation Products, Chromalloy, WGI Inc., and Strategie SRL.

Bob Spence, Chairman and Chief Executive Officer of Aeromed Group, said "We are fortunate to have someone with Simone's knowledge, proven skills, and expertise in business development join our team. Simone brings a customer strategy, goal-driven mindset, and first-hand knowledge of the rapidly expanding aerospace and defense industry."

Prior to joining Aeromed, Simone served as Vice President of Business Development at Hitchiner Manufacturing, where he was responsible for driving the sales strategy and business development activities of a \$250M operation across 5 plants, as well as the expansion into new markets. At Wesco Aircraft, Simone held the position of Director of Global Strategic Accounts, engaging with C-Suite executives to develop a successful sales and marketing strategy across all product lines and across the top global strategic accounts.

Simone holds a Bachelor's Degree in Political Science from Univerista' degli Studi Roma Tre and holds a Master of Science in International Business from ISPI.

"I am ecstatic to join Aeromed Group – a strategic aerospace solution provider - in the role of Chief Commercial Officer," said Simone. "I truly look forward to working with the entire organization and strategically positioning Aeromed Group to immediately deliver exponential growth, outstanding results, and tremendous value for our Customers, our Partners, our Employees, and our Shareholders."
