

Audrey Tobey, MD, an Obstetrician-Gynecologist with Baptist Health Women's Clinic - Conway

Get to know Obstetrician-Gynecologist Dr. Audrey Tobey, who serves patients in Conway, Arkansas.

New York City, New York Nov 23, 2022 (Issuewire.com) - A trusted obstetrician-gynecologist, Dr. Tobey is in practice at Baptist Health Women's Clinic - Conway, offering women's health services to residents of Faulkner County and surrounding areas. She is committed to providing patients with high-quality, evidence-based care and looks forward to establishing lasting relationships with them as they

transition through all stages of life. Her clinical interests include high-risk obstetrics, infertility, menopausal management, and ultrasound.

The care team at Baptist Health Women's Clinic - Conway ensures each woman receives the personalized care she needs and at any stage of life. Their state-of-the-art facility features modern comforts and the latest technology and equipment. Telemedicine, a Level II nursery, and an infant security system are just some of the amenities offered. Staffed with trained doctors and nurses, they deliver the care patients need.

A native of Austin, Texas, Dr. Tobey obtained her medical degree from The University of Texas Southwestern Medical School. She then went on to complete her residency in obstetrics & gynecology at the Eastern Virginia Medical School, where she also completed her fellowship in hospital governance & quality improvement.

Obstetrics and gynecology (OB-GYN) is the medical specialty that encompasses the two subspecialties of obstetrics (covering pregnancy, childbirth, and the postpartum period) and gynecology (covering the health of the female reproductive system – vagina, cervix, uterus, ovaries, and breasts).

On a more personal note, Dr. Tobey and her husband have one daughter and two dogs. When not tending to patients, she enjoys cycling, fly fishing, kayaking, and gardening. She also serves on a non-profit board benefiting an indigenous community in Kenya.
