FlowerPeace by Dj Claudio Ciccone Bros

Melodic House, TechHouse, Progressive House out on all Major Digital store the 1/12/2022

Rome, Lazio Dec 6, 2022 (<u>Issuewire.com</u>) - <u>FlowerPeace & Dj Claudio Ciccone Bros</u> Flower Peace" is the new single by FlowerPeace & Dj Claudio Ciccone Bros. a genre of

Melodic House, TechHouse, and Progressive House are out on all Major Digital stores the 1/12/2022.

The FlowerPeace project was born in 1998 as a suggestion from a Tibetan lama and was formed in the

Milan(Italy) club and raves scene (a change that occurred after the dissolution of the punk rock band formed in Naples in 1992 which had accumulated hundreds of live concerts around 'Italy'.)

Between 2000-2012, FlowerPeace will play their Live Sets and Dj Sets in London in the Raves, Clubs, and Cocktail Bars of the English capital

FlowerPeace grew up between the Poggioreale and the Scampia167 area of Naples, lived in the Isola district of Milan, and then in the Islington Ec1 district of London.

This new track "Flower Peace" also wants to be a philosophical and social message to our society

"We are for freedom, art, and love against all forms of violence"

The music is our answer"

The track is sung in Italian

Voice: Nunzio Ciccone

Dj/Producer: DjClaudioCicconeBros

Mastering: Slow Wave Sleep (Emilio Larocca)
