**New York City, New York Nov 14, 2022 ([IssueWire.com](https://www.IssueWire.com))** - Johnny is a family nurse practitioner working at Dekalb Medical Clinic, LLP in Smithville, Tennessee. He has over 10 years of experience in a variety of healthcare settings including EMT, medical/surgical nursing, ICU, emergency room, and surgery.

Prior to his current endeavors, he served as a registered nurse at Ascension Seton Smithville Hospital, and at Ascension Saint Thomas Rutherford.

Throughout his academic career, Johnny graduated with his Associate of Science in Nursing degree from Motlow State Community College in 2016. He then went on to earn his Bachelor of Science in Nursing degree and his Master of Science in Nursing degree (Family Nurse Practitioner Program) from Chamberlain University College of Nursing in 2019 and 2021, respectively.

On a professional level, he is an active member of the American Association of Nurse Practitioners.

A Family Nurse Practitioner (FNP) is an advanced practice registered nurse who works autonomously or in collaboration with other healthcare professionals, to deliver family-focused care. Given the rather broad nature of the “family” patient population focus, FNPs offer a wide range of healthcare services that revolve around the family unit; from health promotion and disease prevention to direct care and counseling across the lifespan.
