

Monarck Releases Their Addictive New Anthems That Fit Right in Among the Greatest Songs in Recent Years

The fun and mesmerizing duo, Monarck, is setting the finest definition of trailblazing good music through tracks. These talented stars are creating a buzz!

Binghamton, Nov 17, 2022 (Issuewire.com) - The charismatic duo of Retro and Sketo put their voices together to form the musical phenomenon **Monarck**, which creates a unique musical experience with a local twist. Their songs are easily addictive and are infused with a hook that swiftly injects the melody into our consciousness permanently, as seen in some of their most popular songs,

namely '[Monarcktober](#)', '[Zodiac](#)', and '[Prom](#)'. Each song has a unique subject matter that the listeners can connect to, which makes their songs so special.

'[Monarcktober](#)' begins with a somewhat muted version of the classic Halloween anthem 'This is Halloween' and goes on to encapsulate some of the spooky horror sound effects, building the anticipation for what is coming next. It is then that the smooth vocals of the duo breakthrough. The lyrics are haunting and fun at the same time. The music is upbeat and catchy, getting listeners caught up in its chill mood. This song is among one of their best and most creative ventures and sets the bar high for this duo. '[Zodiac](#)' is another fresh weave of ingenious lyrics and groovy music. The references to Zodiac signs and their characteristics give the song a unique twist. '[Prom](#)' is another free-flowing lyrical ballad that speaks about the elusiveness of young love.

Musically inspired by artists like Travis Scott and Kid Cudi, **Monarck's** passionate music represents who they essentially are: free-flowing, outgoing, and fun. Other tracks like 'Andromeda IX' and 'I'm Known' have also gained massive love from listeners. To listen to more amazing tracks by the duo, log in to Spotify and follow them on [Instagram](#).
