

step.

Food Packaging: Match the speed of the counter and drag every food item to its box. Increase the speed of packaging and be the fastest sorter in the shop. Look attentively at the food path, and when you see the item, quickly put it in the box.

Popcorn Making: Different types of popcorn are available in this store, like caramel, cheese, peri-peri popcorn, and many more. In this crazy popcorn maker game, make popcorn from the beginning.

Fruits and vegetables: The supermarket provides all kinds of fresh vegetables and fruits that are needed in daily life. Pick up the necessary fruits and vegetables from the moving baskets and put them in a bag.

Weighing machine: Simply grab a bag and pack fruits and vegetables in it. To avoid the red number on the scale, put the right quantity on the scale and weigh it. Play as a cashier in a realistic supermarket cashier game.

Fun Fishing: With the variety of colourful fish in this game section, it feels like going on a fishing trip! Funny sounds, mostly turtle and crab, are so funny.

Toys Locating: Locate the toy in the cupboard.

Game Zone: This collection of free games for kids makes learning fun and easy.

Duck Carnival: a game zone where users can play the Duck Carnival game.

Clean the Market and Car Parking are both enjoyable games.
