

Spiros Karas, DMD, a Dentist with Classic Dental Arts

Get to know Dentist Dr. Spiros Karas, who serves patients in Manalapan, New Jersey.

New York City, New York Nov 15, 2022 ([IssueWire.com](https://www.issuewire.com)) - A highly skilled dentist, Dr. Karas offers services like checkups, teeth cleaning, crowns, veneers, and more at Classic Dental Arts in Manalapan, New Jersey. He strives to create lifelong relationships with patients and their families and works to ensure that they receive treatments in a comfortable and relaxed environment.

Classic Dental Arts is a Manalapan Township-based family dentist practice that treats patients of all

ages. It is committed to delivering the highest quality dental care and does so using advanced dental equipment. The practice also performs emergency dentist services that include bonding, root canals, crowns, and bridges.

From the patient's first consultation through follow-up, Dr. Karas will be there. He will not shuffle his patients off to someone with whom they are not familiar; instead, he believes in being accessible regardless of how complicated or lengthy a procedure becomes. Whether the patient needs a simple filling, root canal, or complete dentures, he is there all the way through to ensure the best possible results and experience.

His educational background at Fairleigh Dickinson University prepared him to relate to his community in a professional manner. Likewise, his Doctor of Medicine in Dentistry degree from the University of Medicine and Dentistry of New Jersey provided the best possible foundation for a dental practice.

Working hard to deliver a superior experience at every visit, his utmost desire is to provide gentle and effective care to patients of every age and dental background. Dr. Karas believes that excellent oral health begins with education and prevention. His mission is to enlighten patients in the ways they can take greater control over their own dental health.

Committed to remaining aware of the latest advancements in oral health and dentistry, he is a member of the Monmouth County Dental Association, the New Jersey Dental Association, and the American Dental Association.

Dentistry, also known as Dental and Oral Medicine, is a branch of medicine that consists of the study, diagnosis, prevention, and treatment of diseases, disorders, and conditions of the oral cavity. Dentists diagnose and treat dental issues and help patients develop better oral hygiene regimens. They clean teeth, correct bite issues, perform surgeries and extractions and perform other duties to ensure that the teeth and mouth are healthy.

During his last 30 years of practice in New Jersey, Dr. Karas has been active in the community of Manalapan. His years of experience and scores of long-term patients have given him the one thing that cannot be taught — a caring, personal touch.
