

## **Anish Mirchandani, DO, an Interventional Pain Management Specialist & Physiatrist with MI Spine & Joint Care, PLLC**

Get to know Pain Management Specialist Dr. Anish Mirchandani, who serves patients in Prosper, Texas.

**New York City, New York Dec 22, 2022 ([IssueWire.com](http://www.IssueWire.com))** - Dr. Mirchandani is a double board-certified interventional pain management specialist & physiatrist currently tending to patients at his private practice MI Spine & Joint Care, with offices located in Prosper, Texas. He truly believes in working together with his patients to obtain the best outcomes for their condition, and emphasizes the importance of patient education and designing a unique treatment plan specific for each patient. He provides compassionate care and is highly skilled in the most advanced procedures and treatments for all pain conditions.

In regard to his educational background, he received his Doctor of Osteopathic Medicine degree from the Touro College of Osteopathic Medicine in 2013. He then completed his residency training at the prestigious Columbia University and Cornell University in New York City in 2017. Dr. Mirchandani then finalized his training with an ACGME-accredited fellowship in pain medicine at the University of Texas, San Antonio in 2018.

An authority in his field, Dr. Mirchandani is double board-certified in pain medicine and physical medicine & rehabilitation by the American Board of Physical Medicine and Rehabilitation, which is an organization that provides board certification to qualified doctors who specialize in the treatment of patients with physical impairments or disabilities.

Pain management is a unique branch of medicine employing an interdisciplinary approach to easing the suffering and improving the quality of life of those living with pain with the aim of improving everyday function. A pain management specialist is a doctor who specializes in providing a comprehensive approach using minimally invasive procedures, medications, and physical modalities to achieve the best functional outcomes for the patient.

In his free time, Dr. Mirchandani enjoys traveling, cooking, and exploring new eateries. He is fluent in both English and Hindi.
