

Eminent Singer, Songwriter Ana Shine Breaks the Internet with Her Brand New Sound Stripes

Ana Shine gifts her fans new soundtracks from her meticulous project, sensationally they are breaking the internet with overflowing attention from every continent

London, Dec 14, 2022 (Issuewire.com) - Bass-boosted melody with a warm touch of intensive affection in '[Fantasy](#)', personal feelings and experiences with an optimistic vision about her life, in '[Let the light shine](#)', along with seductive beauty and vigorous confident voice in '[Hurricane](#)', prolific singer, producer, and professional model **Ana Shine** releases some heart-melting hypnotizing

soundscapes. Her unique and soul-soothing vocal enlightens these songs with her skillful craft over music. According to Ana, sometimes things become difficult to express but with the mingling of melody and lyrics, it becomes easy to portray inner feelings.

Interested in singing and songwriting, after completing her mastery of the musical sector, she opened her own production house '**Shine Music**'. Right now with over thousands and thousands of listeners and followers all over the world, she is reigning her fandom. Bringing together the nostalgic and classical feeling of pop along with the companionship of different instruments made these soundscapes unforgettable. With the proper touch of Electronic Dance Music, these songs are enough to make one jive. Aptly titled and purely addictive, these vocals are well-produced with a brilliant sense of music.

Ana Shine is both a versatile and promising artist who is famous among different musical platforms. She has released three albums already which gave her vigorous confidence. Her honorable mentions are '**Fantasy**', '**Let the light shine**', and '**Hurricane**'. Also earlier she delivered beautiful tracks like '**Poker Game**' and '**Play With Me**'. Actively available on social media like [Facebook](#), [TikTok](#) and [Instagram](#) and musical platforms like [Spotify](#), she is spreading merriness among her fans.
