In military terminology, the “Front Line” is the key position(s) closest to the area of conflict, held by those fighting for our country and our freedom. They defend our rights to equal protection under the law: equal treatment regardless of race, sex, religion, or national origin.

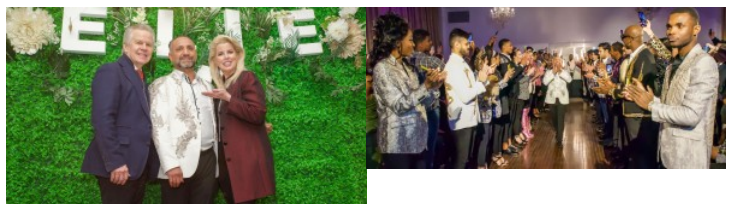

In collaboration with **Troopathon**, a charitable organization that sends care packages to active duty US Troops stationed in harm’s way around the globe, Elie will be celebrating his birthday and the holiday season by heralding our servicemen and women in style with Fans, Models, TV Personalities, Celebrity Magazine Publishers and others. It will be a night to remember!

The Award-Winning Lebanese-Syrian Designer now holds three labels since the company launched in 2014, lifting him to the top tier, with his designs ranking among the finest at major luxury department stores such as Saks, Bloomingdales, Macys, Lord and Taylor, Nordstrom, and more.
