

J. Ryan Cotton, MD, an Orthopedic Surgeon with Orthopaedic Associates

Get to know Orthopedic Surgeon Dr. J. Ryan Cotton, who serves patients in Panama City, Florida.

New York City, New York Dec 22, 2022 ([IssueWire.com](https://www.IssueWire.com)) - Dr. Cotton is a board-certified, fellowship-trained orthopedic surgeon at Orthopaedic Associates, which he joined in 2022. He operates out of the office in Panama City, Florida.

There, he offers adult and pediatric patients specialized orthopedic sports medicine care, including diagnosis and treatment for injuries and conditions of the ankle, elbow, hand, hip, knee, shoulder, and wrist.

After receiving his Bachelor of Science degree in Biology from Berry College in Mount Berry, Georgia, Dr. Cotton earned his medical degree from the University of South Alabama College of Medicine in Mobile. He went on to undergo orthopedic surgery residency training at the University of Florida College of Medicine – Jacksonville and later completed a sports medicine fellowship at the Hughston Clinic in Columbus, Georgia.

With expertise in a wide variety of advanced techniques and procedures, he is board-certified in orthopedic surgery by the American Board of Orthopedic Surgery (ABOS). The ABOS is an organization with the goal of establishing educational and professional standards for orthopedic residents and surgeons as well as evaluating the qualifications and competence of orthopedic surgeons.

Having served patients in Florida since 2010, Dr. Cotton takes great joy in helping relieve pain and restore ability. He also helps local athletes through volunteer sports medicine coverage for area high school football.

Currently, he is affiliated with Northwest Florida Surgery Center, Ascension Sacred Heart Bay Hospital, and Gulf Coast Regional Medical Center.

In addition to being a Fellow of the American Academy of Orthopedic Surgeons, he is a member of the American Orthopedic Society for Sports Medicine and the Florida Orthopedic Society.

Orthopedic surgery is the branch of surgery concerned with conditions involving the musculoskeletal system. Orthopedic surgeons use both surgical and non-surgical means to treat musculoskeletal trauma, spine diseases, sports injuries, degenerative diseases, infections, tumors, and congenital disorders.

In his time apart from providing specialized care, Dr. Cotton is an avid tennis player and also enjoys snowboarding, computers, and scuba diving.
