Atlanta, Georgia Dec 3, 2022 (Issuewire.com) - The Janitorial / Cleaning Industry is a \$175 Billion Dollar Empire, growing at a pace of 2.9% annually. With the newly, released janitorial lead packages on the market; National Janitorial Leads has positioned itself to assist the over 86,000+ Cleaning Professional Owners Nationwide and the more than 500+ who are joining this industry on a weekly basis to get their fair share of this market by providing them with the leads they need to secure Commercial Cleaning Contracts. www.nationaljanileads.com

Janitorial Leads EQUALS Janitorial Contracts - PERIOD!!! Without a steady flow of Janitorial Leads, it can be challenging to secure Commercial Cleaning Contracts.

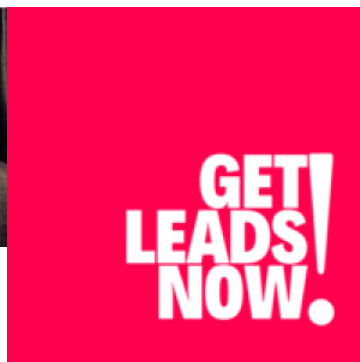

Independent Home-based Janitorial Owners are going out of business at a rapid pace due to a lack of Janitorial Leads. We have solved that problem with our Lead Packages; the first to hit the USA market. www.nationaljanileads.com

Janitorial Franchisor(s) are in need of more Commercial Cleaning Contracts to fulfill their obligations to their Franchisee(s). We are geared toward supplying them with the leads they need for massive growth. www.nationaljanileads.com

New Start-Up Janitorial Business Owners are the cream of the crop of this industry. Their desire to get going is bar-none! They need these Janitorial Leads to hit the ground running in order to see quick growth in their business. www.nationaljanileads.com

As the first company to roll out Janitorial Lead Packages Nationwide; we pride ourselves in focusing on a need in the marketplace, fulfilling that need, and assisting cleaning businesses across the United States in growing their respective revenue streams into the millions of dollars by providing Janitorial Leads to any cleaning business located in any city, county, state or metro area within the territories of the United States.

Let National Janitorial Leads be the vehicle to solidify your success in this massive Multi-Billion Dollar Industry. www.nationaljanileads.com
