

## Ozlem Kulak, MD, PhD, a Pathologist with Thomas Jefferson University Hospital & Jefferson Methodist Hospital

Get to know Pathologist Dr. Ozlem Kulak, who serves patients in Pennsylvania.

**New York City, New York Dec 29, 2022 ([IssueWire.com](https://www.issuewire.com))** - Dr. Kulak is a pathologist who can be found on staff at Thomas Jefferson University Hospital & Jefferson Methodist Hospital, both of which are located in Philadelphia, Pennsylvania.

Holding an academic rank, she serves as an Assistant Professor within the Department of Pathology at Thomas Jefferson University Hospital.

Thomas Jefferson University Hospitals Inc, branded as Jefferson Health, is a multi-state non-profit health system whose flagship hospital is Thomas Jefferson University Hospital in Center City, Philadelphia. The health system's hospitals serve as the teaching hospitals of Thomas Jefferson University.

Methodist Hospital is a hospital in the Lower Moyamensing neighborhood of South Philadelphia, affiliated with Thomas Jefferson University Hospital, Jefferson Hospital for Neuroscience, and Thomas Jefferson University.

Educated in Turkey, Dr. Kulak graduated with her medical degree from Ankara University Faculty of

Medicine. She then relocated to the United States, performing her residency in anatomic and clinical pathology at the University of Texas Southwestern Medical Center in Dallas, and her GI/liver pathology fellowship at Johns Hopkins Hospital.

Following her training, she attained board certification in anatomic and clinical pathology from the American Board of Pathology (ABPath). The mission of ABPath, as a member of the American Board of Medical Specialties, is to serve the public and advance the profession of pathology by setting certification standards and promoting the lifelong competency of pathologists.

Pathology is a branch of medical science that involves the study and diagnosis of disease through the examination of surgically removed organs, tissues, bodily fluids, and in some cases, the whole body. Pathologists are physicians who specialize in the diagnosis and management of diseases by laboratory methods.

On a more personal note, Dr. Kulak is fluent in both English and Turkish.
