

The Family Cabin: The Life of Philip Siracusa

Available Now on Amazon in all Formats

Peabody, Massachusetts Dec 1, 2022 ([IssueWire.com](https://www.IssueWire.com)) - Do You Believe in Reincarnation?

The Family Cabin: The Life of Philip Siracusa

Author: Christina Corsetti

What do you do if you were led by a spirit to a gravesite only to rediscover yourself over 100 years later?

One of the mysteries puzzling the human mind since the origin of mankind is the concept of reincarnation which means “to take on the flesh again.” What exactly is reincarnation? It simply means that we leave one life and go into another for the sole purpose of soul development and spiritual growth. You hear stories all the time about children knowing who they were in a previous life. Things that they could not comprehend at the age of telling their story.

Through research and discovery, the conclusion in The Family Cabin is a page-turner like no other and is now available on Amazon in all formats.
