Kota, Rajasthan Dec 28, 2022 ([IssueWire.com](https://www.issuewire.com)) - The National Institute of Technology (NIT) is a group of publicly owned institutes established to provide advanced learning in science and technology. ThinkIIT has prepared a list of the top 10 NITs in India to help students make informed choices in their careers.

NIT Tiruchirappalli (Ranked 9th in Engineering Category in NIRF Ranking 2021):

The institute was established in collaboration between the governments of Tamil Nadu and India. According to the NIRF Ranking, NIT Trichy is ranked first among the Top NITs.

NIT Surathkal (Ranked 10th in Engineering Category in NIRF Ranking 2021):

It is a premier engineering institute that was founded in 1960. The institute employs nearly 200 faculty members who are highly qualified in fields such as engineering, science, and management.

NIT Rourkela:

The National Institute of Technology, Rourkela, has been ranked among the top engineering colleges on numerous occasions. The NIT Council is the primary governing body of the institute.

NIT Calicut (Ranked 23rd in Engineering Category in NIRF Ranking 2021):

One of the most important aspects of this institute is that it has a supercomputer on its campus and a dedicated department for Nanotechnology.

NIT Warangal (Ranked 25th in Engineering Category in NIRF Ranking 2021):

The institute was the first in the NIT chain to be established. According to the NIRF, NIT Warangal is ranked 25th among the top engineering colleges in India.

NIT Durgapur (Ranked 29th in Engineering Category in NIRF Ranking 2021):

One of the most important aspects of NIT Durgapur is its computer center, which provides students with central computing facilities.

VNIT Nagpur (Ranked 30th in Engineering Category in NIRF Ranking 2021):

VNIT Nagpur was founded in 1960. The institute's sprawling campus is spread across 225 acres, providing all necessities to its students.

MNIT Jaipur (Ranked 37th in Engineering Category in NIRF Ranking 2021):

The college is well-known for its placement trend and students' knowledge; according to the placement report 2020-21, the highest package reached up to INR 43 LPA, and the total number of companies that visited the campus was 131.

MNNIT Allahabad (Ranked 42nd in Engineering Category in NIRF Ranking 2021):

The institute accepts nearly 900 students into its nine undergraduate programs and over 200 into its four postgraduate programs. The institute currently has 14 departments in the fields of Engineering, Sciences, School Management Studies, Humanities and Social Sciences, and School of Management Studies.

NIT Kurukshetra (Ranked 44th in Engineering Category in NIRF Ranking 2021):

NIT Kurukshetra was founded in 1963 with the assistance of the Indian government and in consultation with the Planning Commission. In 2008, it was designated as an Institute of National Importance. This was one of seventeen colleges founded in the country.

One of the most notable features of these institutions is their autonomy, with each institute having the authority to develop its curriculum. Studying in any one of them is bound to kickstart a student's career and professional growth.
