

## История Dumschool и мышонка Дум Думыча

**Sankt Peterburg, Sankt-Peterburg Jan 5, 2023 ([IssueWire.com](https://www.issuewire.com))** - The [Dumschool](#) website was created in 2017 and is working to this day to provide methodological assistance to all those involved in the educational process, as well as for parents of preschool and primary school-age children (primary school). Since 2017, a series of Olympiads and competitions have been held at the Dumschool educational project site every academic year. In the first half of the year, one series of Olympiads and competitions is held, in the second - the second series. In the same year, the [Library section](#) was opened on the site, which is constantly updated with both author's developments and project materials, as well as teachers (teachers, educators) in Russia, Belarus, Kazakhstan, etc. The character of the site is the mouse Dum Dumych.

### **Chronology of remote Olympiads and competitions:**

"Kaleidoscope of knowledge 2017-2018"

"Safe and informative autumn 2018"

"Winter Adventures of connoisseurs 2019"

"Educational mix 2018-2019"

"Festival of Knowledge. Autumn 2019"

"Marathon of young experts 2020"

"Festival of knowledge and parade of creativity!"

"The universe of knowledge, kindness, and creativity"

"Planet of Knowledge and festival of creativity"

"Tournament of experts and masters"

"Festival of Knowledge and Creativity 2022"

The project positions itself as a project for children created with love and the motto "A big project for big people".

Olympiads and competitions are held in accordance with paragraph 1 of paragraph 22 of Article 34 and paragraph 2 of Article 77 of the [Federal Law of the Russian Federation No. 273-F3 of December 29, 2012](#), and are aimed at identifying and developing students' intellectual and creative abilities.

### **Description of the activity**

On the website, teachers and parents apply for participation in International distance Olympiads and thematic competitions, including creative ones. Each series contains more than 100 Olympiads and

competitions: for children, 4-5 years old, for preschoolers, for elementary school, and for children with [disabilities](#) in grades 1-4. Events are held both on a paid and free basis. All participants and organizers of subject Olympiads and contests receive prizes and awards in electronic form, and the winners and prize-winners of creative contests receive prizes in the form of souvenirs. Samples of all tasks can be viewed before registration. Everyone can try their hand by completing [tasks online](#) in various school subjects (15 subjects). Any teacher, educator, or parent in the Library of the site will find materials of various categories:

Video tutorials

Didactic material

Games

Quests

Cool corners and memos

Cool hours

Contests, quizzes

Events and holidays

Models, games, and lessons in 3D

Presentations

Worksheets and simulators

Tests

You can send your material to the Library of the site and get a free Certificate of publication.
