

California Recovery Center in-network with major US Insurance Providers

Sacramento, California Jan 28, 2023 ([IssueWire.com](http://www.IssueWire.com)) - Recently, California Recovery Center (CRC) just announced its in-network with Kaiser Permanente, one of the major US insurance providers. This new addition, along with other major insurances like Cigna, Halcyon Behavioral, Tricare, and Aetna, allows CRC to significantly broaden and make its services more flexible and accessible to the public.

California Recovery Center, a top-rated rehabilitation treatment provider for substance abuse in Roseville, California, provides individuals with the opportunity to achieve sobriety with minimal impact on their personal and professional lives. CRC provides:

- Detox, residential inpatient, and outpatient programs
- Personalized plans and evidence-based therapies
- An interdisciplinary team of wellness professionals
- A personal community of sobriety
