Hong Kong, Hong Kong S.A.R. Jan 28, 2023 (IssueWire.com) - Global Economic Forum G20 Initiative Summit 2023 organized by the Indonesian government held at the Royal Palace, Bali, Indonesia on 24th Jan 2023 witnessed the participation of top industry leaders from G20 Countries From 24-26th Jan 2023. The world's most influential political, commercial, cultural, educational, and other leaders came together at the Global Economic Forum to set global, regional, and industry agendas. As the G20 Bali summit came to an end on 16th November 2022, Indonesia handed over the G20 presidency to India for the next year & the first international Global Economic Forum with G20 Initiatives kick-started with Bali Indonesia. Dr. Kannan Vishwanath, the founder & managing director of Rupus Global Limited was conferred with the prestigious Global Icon of the year for academic research & Healthcare Innovations at the World Economic Forum at Royal Palace, Bali, Indonesia 2023.

His Royal Highness Dr. Shri Gusti Ngurah Arya WedaKarna Mahendradatta, Senator, Indonesia Presented the Highest Honour to Global Economic Forum G20 Initiative Leaders with the Global Icon Award at Royal Palace, Bali, Indonesia in a power-packed hall. Along with Prof Dr. Kannan

Vishwanath, more than 20 world leaders were recognized in their respective fields.

Speaking on this, [Dr. Kannan Vishwanath](#) said *“I humbly accept this award in the beautiful city of Bali in Indonesia & I am indeed privileged to have been selected for this rare recognition at the G 20 Summit by the Indonesian Government. I strongly believe that education to the millions of marginalized sections of society will be key to democracy & mankind’s prosperity. Being an academic researcher, I have always advocated for peaceful & equitable growth for all in the world, as we navigate through these turbulent times, in a sustainable, holistic, responsible, and inclusive manner. The member countries of the G20 cover more than 75% of global trade, 80% of the world’s GDP, and more than 60% of the planet’s population. The G20 comprises the major economies of the world. The road ahead will be challenging”.*

“
Technology is extremely powerful
and novel, accomplishing amazing
tasks humans may be incapable of
doing at speeds never before
possible. To be successful, no
matter how cutting-edge,
technology must solve a problem
and people must want to use it.”

THE POWER OF PEACE

California.

Any war fought in recent times have not made the world healthier, peaceful & prosperous, in stead it has divided us, made us weaker. At this critical moment we must undertake tangible, precise, swift and necessary actions, using all available policy tools, to address common challenges facing the mankind today. History will judge us if we don't act now and if we don't act strongly.
