

# Introducing Ecuadorian Rainforest's New Year Ingredient Specials

Bulk Ingredients On Sale This Month

# Ecuadorian Rainforest

**Clifton, New Jersey Jan 13, 2023 ([Issuewire.com](http://Issuewire.com))** - Ecuadorian Rainforest is proud to offer formulators, food scientists, and manufacturers some of the best ingredients in the industry. This month, we have a variety of products available at special prices, so be sure to take advantage of these deals while they last. Contact us today to learn more about our January specials or visit our website for more information. We look forward to helping you create amazing products.

One of the ingredients on sale is bladderwrack powder. Bladderwrack is a unique type of seaweed that has been steadily growing in importance and versatility as an industrial resource. Enriched with essential vitamins, minerals, and compounds like calcium, iodine, magnesium, and potassium; this extract now plays an essential role across multiple industries such as food production & manufacturing to use within pharmaceuticals.

The list of Ecuadorian Rainforest ingredients on sale this month includes agar powder, bladderwrack powder, dulse powder, gigartina powder, Irish moss powder, okra powder, wakame powder, yacon root powder, cucumber powder, green lipped mussel powder, pumpkin seed powder, salicornia powder, sweet potato pwd. organic, chlorella powder & many more. View the entire list on [intotherainforest.com](http://intotherainforest.com).

Ecuadorian Rainforest has provided natural ingredients from South America and beyond for over 20 years. Founded by Marlene Siegel in 1997, the company now has over 1,000 fruit, herb, marine, spice, and vegetable ingredients all under one roof. Ecuadorian Rainforest puts its natural ingredients through rigorous quality-control processes to ensure they meet high-quality standards.
