Get to know Dentist Dr. Michael R. Worthy, who serves patients in Georgia.

**New York City, New York Jan 12, 2023 ([IssueWire.com](https://www.issuewire.com))** - An established dentist, Dr. Worthy treats patients in Georgia. He offers a variety of dental services, including routine exams and cleanings, as well as restorative treatments such as composite fillings, crowns, bridges, dentures, and veneers. He has 30+ years of experience placing and restoring dental implants. He also offers teeth whitening options using the latest professional techniques to help patients achieve a bright white smile.

With a broad educational background, he obtained his undergraduate degree at the University of Georgia and graduated with his Doctor of Medicine in Dentistry degree from the Medical College of Georgia School of Dentistry. Finally, he completed his Mastership at the Academy of General Dentistry, acquiring the highest level of accreditation to be able to practice.

Dentistry, also known as Dental and Oral Medicine, is a branch of medicine that consists of the study, diagnosis, prevention, and treatment of diseases, disorders, and conditions of the oral cavity. Dentists diagnose and treat dental issues and help patients develop better oral hygiene regimens. They provide comprehensive dental treatments to improve periodontal health (gums), correct bite abnormalities, perform surgeries and extractions, and perform other duties to ensure that the teeth and mouth are healthy.
