

Orange Snap Corporation Launches BUZZ Caffeinated Orange Juice

announce the launch of BUZZ caffeinated orange juice, made from the finest California Valencia oranges. BUZZ is the brainchild of inventor Richard H. Davis, who first created the caffeinated concoction in 1990 while working on a freeze-dried orange juice. Orange Snap Corporation is committed to delivering a fresh and natural alternative to traditional morning pick-me-ups, with the added bonus of caffeine to jumpstart the day. With BUZZ, consumers can enjoy the delicious taste of freshly squeezed Valencia orange juice combined with the energy boost of caffeine.

"We are thrilled to bring BUZZ to the market and offer a new and innovative option for those looking for a morning boost," says Richard H Davis, President, and CEO of Orange Snap Corporation. Davis has presented his 'patent-pending' O.J. to the juice juggernauts Tropicana and Minute Maid for the potential licensing of the BUZZ brand name and the use of the method of manufacturing of orange juice for the formulation of an active pharmaceutical ingredient for the delivery of caffeine.

About California Valencia Oranges

California Valencia oranges are a type of sweet orange that is grown in the state of California, US. They are a popular variety due to their juicy, sweet taste and are commonly used for juicing and eating fresh. They have thin skin, are seedless, and have a bright orange color. They are usually harvested in the spring and are available for purchase in the late spring and early summer.
