Get to know Podiatrist Dr. Shazia Amar, who serves patients in Brooklyn, New York.

New York City, New York Jan 13, 2023 ([IssueWire.com](https://www.IssueWire.com)) - A skilled podiatrist, Dr. Amar tends to patients at Artisan Podiatry, PC, with five offices located throughout Brooklyn, New York. She is known for her warm and friendly personality, which puts her patients at ease and allows them to feel heard and understood. Despite her busy schedule, she always makes herself available and is known for returning phone calls promptly. She is particularly skilled in caring for surgical patients and ensuring that they are comfortable before and after their procedures.

Her journey to becoming a foot doctor began with a passion for biochemistry and chemistry, which led her to a career in research as a pathologist. However, it was a chance encounter with a caring physician while her grandmother was hospitalized that ultimately inspired her to pursue a career in medicine.

Subsequently, Dr. Amar graduated with her Doctor of Podiatric Medicine degree from the New York College of Podiatric Medicine, before completing her residency in podiatric surgery at New York Methodist Hospital. Board-certified by the American Board of Podiatric Surgery, she believes that compassion and understanding are an integral part of the healing process, and is dedicated to providing top-notch medical care to all of her patients.

Podiatry is a branch of medicine devoted to the study, diagnosis, and medical and surgical treatment of a variety of disorders of the foot, ankle, and lower extremities. A podiatrist, also known as a podiatric physician or a foot and ankle surgeon, is a medical professional devoted to the treatment of disorders of the foot, ankle, and lower extremities. They can treat injuries and complications from ongoing health issues like diabetes.
