

## Whitten's Fine Jewelry Offers Full Collections Of Handmade Jewelry

**Wilmington, Delaware Jan 27, 2023 ([Issuewire.com](http://Issuewire.com))** - Are you looking for handmade jewelry? If yes, then with The Whitten's Fine Jewelry, you have reached the right place to see a vast collection of [Handmade Jewelry](#). You can shop for gold, diamond ring, jewelry, and watches on this website. We offer a full selection of designer jewelry and bridal collections, including Kabana, Luca, Lafonn, and John Medeiros. New sterling silver barbell rings with cubic zirconias inspired by CrossFit are also available. Additionally, Whitten's sells ram head rings made of sterling silver by hand! Whitten's also buys gold, diamonds, luxury timepieces, and vintage jewelry in a welcoming, cozy environment.

**The Managing Director says,** "At Whitten's Fine Jewelry, we are family-owned jewelry experts and aware of the sentimental value that your great-wedding grandmother's band, Cartier timepiece, and

numerous other jewelry items hold for you. We will hold onto your belongings for security until you can get your bearings. We have Simon G and Fana in our bridal collection. Moreover, we offer loose diamonds with certificates. In addition to David Yurman, John Hardy, Tiffany & Co., Judith Ripka, Barbara Bixby, and Lagos, we also sell previously owned designer jewelry from these brands. They will be stored in a vault for safety and are insured. Moreover, Whitten's Fine Jewelry offers loans on fine watches, diamonds, engagement rings, necklaces, bracelets, and items made of platinum, 10K, 14K, 18K, or 22K gold.

**Words of the Marketing Team,** "Our jewelry loan service may be able to assist you if you need quick cash. Whitten's is constantly mindful of the needs of its clients. You can obtain money swiftly and discretely using our loan services because they are honest and reliable. Every style and price range can be met with an extensive range of options. A bridal collection featuring loose certified diamonds in platinum and 18-karat gold is also available, as well as watches by Bulova, Muhle, Glashutte, Anonimo, and Meistersinger.
