Toms River, New Jersey Jan 30, 2023 ([IssueWire.com](https://www.issuewire.com)) - YUMMY TOMATO is excited to announce the launch of their new "Tommy Gun" Caffeinated Tomato Juice. This unique blend combines the taste of world-famous New Jersey tomatoes with a caffeine boost, making it the perfect pick-me-up for tomato aficionados looking for a last call before hitting the road.

The inspiration for this new product came from Amelia Earhart, the flying legend who famously sustained herself on tomato juice during her historic 1932 solo flight across the Atlantic. YUMMY TOMATO is proud to pay homage to Earhart and her legacy by creating a tomato juice that empowers others to push their own boundaries.

YUMMY TOMATO's "Tommy Gun" Caffeinated Tomato Juice is made with select premium ingredients and is crafted using only the best Jersey tomatoes, which have been recognized for their quality around the world since 1934.

Try a "Tommy Gun" virgin Bloody Mary for a unique and refreshing wake-up call.
