Louisville, Kentucky Feb 8, 2023 (Issuewire.com) - He is currently breaking through with his single, "ZIGUA ALL STAR CYPHER and SHAWALA," which is becoming a hit on both the HIP-HOP and Afropop charts. He's also the CEO and founder of the SHINE MUSIC MELODY record label and he recently released his EP, UBWEDO ZIGUA

In this current era, where other young artists are performing zouk, Singeli, and amapiano, JEY SHINE is following his own path. He is writing and playing songs that are influenced by the HIP-HOP and Afropop that he grew up listening to. He's been inspired by such legendary artists as DIAMOND PLATNUMZ, YOUNG KILLER MSODOKI, MR BLUE BYSER, and PROFESSOR JAY

Although JEY SHINE's musical genre is more classic, he creates his own unique style by writing original, thoughtful songs that are based on his own contemporary experiences. And with his powerful PUNCHLINES and vocals that have a wide range, he can convincingly convey his emotions and feelings. ZIGUAmusic| ZIGUAsongs.
