Get to know Physician Assistant, Gabriela Cristina Palombo, who serves patients in Dallas, Texas.

**New York City, New York Feb 28, 2023 ([IssueWire.com](https://www.IssueWire.com))** - Gabriela is a pediatric hematology/oncology physician assistant currently serving her patients at the Center for Cancer and Blood Disorders at Children's Medical Center Dallas.

As the largest childhood cancer and blood disorders center in North Texas, The Center for Cancer and Blood Disorders (CCBD) treats one in five children in Texas diagnosed with cancer. It is a world-class pediatric treatment center recognized nationally for exceptional clinical care, leadership in children's cancer research, and academic excellence.

Educated in the United States, Gabriela received her Bachelor's degree in Health Science, as well as her Master's degree in Physician Assistant Studies from Gannon University in 2021 and 2022, respectively. As a result of her excellent academic performance, she has received certification from the National Commission on Certification of Physician Assistants, indicating her level of expertise in this field.

A Certified Physician Assistant (PA-C) is a healthcare practitioner who practices medicine in collaboration with physicians. They examine patients, prescribe medicine, and order diagnostic tests. In most cases, they work under the supervision of physicians or surgeons, but they can work more independently in some states, rural areas, and inner-city areas, consulting with physicians only when they need help with cases.
