

Get The Limited Collection of Watches from Gambrell Renard: Art for your Wrist!

Las Vegas, Nevada Feb 24, 2023 (Issuewire.com) - The luxury brand, Gambrell Renard is now debuting a limited edition of watches. This exquisite collection of watches features a hand-painted dial that will complete your look for the day. This timepiece is the perfect example of how creativity met with inspiration can create something so unique and so alluring. Gambrell Renard's watches are inspired by the famous "Balance" painting by the Chicago artist Bruce B. Jefferson who is popular around the world for his creative artistry. This painting influenced this unique line of watches from Gambrell Renard that has already become a fan-favorite and even though it is a limited edition, it is selling fast.

Balance features a 42mm bronze case with sapphire crystal. This is not all, the watches are also set with 60 stones, making it a total of 1.500ct. diamonds and three colors of sapphires; blue, yellow, and red. Beyond the elegant looks, the watch features a hand-winding movement and colorful leather band. Made in Switzerland to perfection, get your hands on this ethereal limited edition of Gambrell Renard's luxury watch collection today. Visit <https://www.gambrellrenard.com/> to learn more.
