

Giveaways for 100 Lucky Owners of Magicycle Deer Full Suspension Ebikes

Ontario, California Feb 22, 2023 (Issuewire.com) - It's been nearly a month since the release of our Magicycle Deer [Ebike SUV](#). We believe many of you guys really had fun in that Livestream and already received the giveaway gifts from Magicycle.

Well, as for those who weren't picked up for the giveaways, don't worry, Magicycle will never let each of its customers down. This time, Magicycle has prepared 100 mysterious gifts each of which is worth **\$200**. Well, as the number of these gifts is limited, Let's save time and get to the point to see how to get one of them. Please keep reading below.

Rules are very simple. All you need to do is share at least 5 photos or 1 video of your Magicycle Deer with Magicycle. Of course, you could provide both videos and photos, which will be greater for us. So basically, you must have a Magicycle Deer. For all of you who are still hesitating, here comes a reminder: The **\$300(Code: FH300)** discount will only remain until the end of this month; At present, you could get **\$700** off if you purchase 2 Magicycle Deers the coupon code **NA700**.

Back to the point, we set some basic standards for photos and videos in case some of you don't know how to do that. First, as for photos, there must be at least one person in each of them. Of course, the

bike itself should be included. If you select to send photos, the number should be at least 5.

You are always welcome to send more photos if you would love to. Second, you can shoot a video of riding a Magicycle Dee, and the video length should be at least 2 minutes. After shooting, please post it on any available social platforms with a link to Magicycle Deer attached.

Before providing these materials, please note that all the materials you provide are authorized to Magicycle for commercial use by default. Once everything is done, please send your photos or video links via **edm@magicyclebike.com** for receiving mysterious gifts.
