

## International Congress on Cosmetology and Plastic Surgery

Sheridan, Wyoming Feb 9, 2023 ([IssueWire.com](https://www.issuewire.com)) - Scientex Conferences cordially invite you to the "International Congress on Cosmetology and Plastic Surgery", which will be held on **May 18-19, 2023** in **Dubai, UAE**. It mainly focuses on the theme "**Scientific Research and Medical Revolutions of Cosmetology & Plastic Surgery**".

This event graciously invites you all to its prestigious congress on Cosmetology and Plastic Surgery which revolves around the vibrant theme "**Scientific Research and Medical Revolutions of**

## Cosmetology & Plastic Surgery”.

"**Cosmetology and Plastic Surgery**" is a platform for everyone (cosmetologists, plastic surgeons, Dermatologists, medical specialists, researchers, and students, and pharmaceutical experts) to present research and innovative technologies in the fields of dermatology, plastic surgery, and anaplastic. A cosmetologist is well-known for cosmetics, skincare, and other beauty supplies.

The **Cosmetology Conference 2023** will include interactive sessions and sub-sessions on developments and new trends in plastics, beauty, and plastic surgery, keynote speeches by leading academics and business figures, panel discussions, poster competitions, and forums for young researchers to take advantage of a better opportunity to have a stance and knack for the most recent trends and innovations in the cosmetology and plastic surgery field.
