

## Last Minute Offer! Celebrate Your Videos with Legit YouTube Promotion on This Week of Love

From 10th to 17th February 2023, Video Promotion Club is offering 10% off on their YouTube promotion services. Make valentine's week about your YouTube career.

**Jacksonville, Florida Feb 15, 2023 ([Issuewire.com](http://Issuewire.com))** - Keeping in mind the letter of Saint Valentine, every YouTube content creators also need to focus on the thing they love and want to achieve. Video Promotion Club doesn't promise a great future but they definitely can deliver every YouTube content creator a better number of views and more subscribers within a week. They are conducting a Valentine's Day Special Sale of 10% off on their services. The offer started on 10th February and will be valid till 17th February 2023. Being organic, this company can give any YouTubers the boost that they require in order to gain better engagement. The entire process happens in 3 specific steps.

Each step will take the creator closer to their desired number of views. In the first step of [YouTube promotion](#), the company will ask the video creator to offer the URL of the video, email id, and a budget that they are willing to spend on these promotional services. In addition to that they will be asked to mention whether they have a particular country in mind where they would like to promote their videos. Depending on the country in which the selected video will be played the number of plays will vary with the budget the applicant has set.

There is a weekly recurring which allows the creator to return to the same services without bothering themselves with the application process each time. There will be an estimated number of views will be shown from the amount of money the video creator is willing to spend. In the second step where the content creators would need to pay for the services, they are opting for. To make the payment the

applicant will have two options. The first option is using PayPal to make the payment. And the second option is stripe, which means you can make the payment with a debit or a credit card.

Once the payment is done, within a few hours a representative from this company will contact the applicant to process the order. The selected video will be shown to people from that selected country until the estimated number has been matched. Once the order is completed, you will receive a report describing the results with real-time data and screenshots. Their expertise in video marketing works only for YouTube videos. The YouTubers will get a prompt delivery of the booked numbers. The selected video will be placed on various websites depending on the targeted country to achieve the numbers in the most organic way.

From music artists to News reporters on YouTube, they have worked with diverse YouTube artists and have helped them to reach the number. With their services, many YouTube artists have gained a better foothold in their domain and excelled in their career post the services offered by Video Promotion Club. For any further inquiries, you can mail them your question. They have kept a separate segment for that only. Make haste, there is a sale going on their website, where you can get a flat 10% discount on their services, the offer ends on the 17th of February.
