

## Marking A Strong Position On the Footwear Industry, Gambrell Renard Launches Luxury Sneakers

**Las Vegas, Nevada Feb 20, 2023 ([Issuewire.com](https://www.issuewire.com))** - Since 2014 Gambrell Renard is a brand that has been primarily recognized for its durable furniture and home decor items. In 2017, the company made its debut in the footwear industry with the launch of the Millie Alpaca Slippers. Following the huge success and great customer reviews, the company has decided to strengthen its feet further in the industry, hence it came forward with a new sneaker line. Taking after the name of a joyous adventure, Carnival, the luxury sneaker line is classy and creatively expressive, giving a chic elegance to complete the outfit. The Carnival Camo Red is rapidly becoming a fan-favorite because of its exotic yet attractive look, giving compliments to the entire fit.

The reason why the company has been winning the hearts of its customers is because of its quality craftsmanship. Gambrell Renard is known for using the finest leathers and fabrics which is the same approach the company is taking toward its sneaker collection as well. Made with metallic leather the sneakers are the perfect choice for going out on a special date or a fun outing with friends. The name is a reference to the Carnival Celebrations, which originated in Trinidad and Tobago. Get your hands on this special exquisite collection today at: <https://www.gambrellrenard.com/>.
