Double Board-certified in Surgery and thoracic surgery, Dr. Deeik is a Diplomate of the American Board of Thoracic Surgery, an American surgical organization devoted to surgery of the chest.

Furthermore, he is a Diplomate of the American Board of Surgery (ABS). The ABS is an independent, non-profit organization located in Philadelphia, Pennsylvania, founded for the purpose of certifying surgeons who have met a defined standard of education, training, and knowledge.

Cardiac surgery, or cardiovascular surgery, is surgery on the heart or great vessels performed by cardiac surgeons. A cardiac surgeon is a medical doctor who performs surgery on the heart and the major blood vessels around it. There are several different medical specialties that a cardiac surgeon may fall under, some of which have overlapping areas of focus.
