

Tha Rapper Haiti The New Haitian Inspiration

Biography of Tha Rapper Haiti

Babylon, New York Mar 12, 2023 ([Issuewire.com](https://www.issuewire.com)) - Prospere James was also known as Tha Rapper Haiti. is a Haitian Hip-Hop artist and songwriter who developed an interest for rapping as a child and would constantly express his skills, rather in the streets, in a cypher or at school. He later became a Music Producer at 18 and start working with popular artist in Haiti, Dezod Music Group, where a group of youths would touch on modern topics, music and culture. Tha Rapper Haiti. produce many [worldwide](#) known artist as well as the former biggest start of Haiti,by the name of Mechanst.

In December 2012, he released the “Pale vit Pale cho” mixtape which earned him quite the recognition in the growing Hip-Hop community. Being quadrilingual, he was able to polish a versatile and eclectic style. He went on to release a few other tapes that only but aided in solidifying his status as a star on the rise.

In 2015, Tha Rapper Haiti. moved to New York to further pursue his dreams of becoming an internationally known voice in the music industry. With his voice commanding such demand in the listener’s attention, he decided to remake the trap hits in Creole. With the release of “Vibe La” (“Watch Out” 2 Chainz), the song became a massive hit throughout Haiti. Rather the public transportation, the cafes, clubs, schools, anywhere music could be played, it was in the rotation. He followed with “Boule Nap Boule” and “I do what i want” pouring more fuel into the fire. Then the mixtape came, Hit Nation, finally earned him the spot as one of the greatest to do it in Haiti.

Tha Rapper Haiti is now working on the release of new projects in English to conquer a wider audience and have his voice echo throughout many stadiums to come. He has an amazing stage presence, studied marketing and leadership, furthermore, Tha Rapper Haiti.’s quite the motivational speaker
