

# Top Cyber Security Courses Launched In Kerala By Offenso Hacker Academy

Offenso Hacker Academy Upcoming Cyber security Training Company In Kerala

**Kochi, Kerala Mar 1, 2023 ([Issuewire.com](https://www.issuewire.com))** - A new cybersecurity company has launched in Kerala, offering individuals and businesses advanced online training courses in cybersecurity. With a focus on affordability and accessibility, the company is dedicated to empowering people to protect themselves from cyber threats.

The emerging company, which specializes in cybersecurity, offers a range of online courses covering topics such as network security, malware analysis, ethical hacking, and more. The company's courses are designed to meet the needs of both beginners and advanced learners and provide resources to help learners prepare for certification exams, including practice tests and study guides.

"We're excited to be launching our [cyber security Courses in Kerala](#), and we're committed to helping people protect themselves from cyber threats," said Abhijith UK, founder of the company. "Our courses are affordable and flexible, with options for both self-paced learning and instructor-led training, making it easy for anyone to access high-quality cybersecurity training from anywhere in the world."
