**Oakland, California Feb 23, 2023 ([Issuewire.com](https://www.issuewire.com))** - Zennie Abraham, Oakland Blogger / Vlogger and Zennie62Media Founder and CEO, and Bill Carroll, Zennie62Media NFL Draft Expert, mark the first time Zennie62Media, Inc, the Delaware C-Corporation startup based on the Zennie62Media web platform brand, and incorporated December 17th, 2019, with offices in Atlanta and Oakland, has received credentials from the NFL for the firm's team, rather than just Zennie, himself. And we have a newly redesigned website for the NFL Draft experience: <https://Zennie62.com>

The NFL Combine content will be primarily on Zennie62.com, and a special section on that platform, with vlogs also on OaklandNewsNowBlog.com, along with other NFL Combine news video blogs and news outlet videos.

“It’s a major step in the growth of Zennie62Media as a media corporation,” Zennie said, “I’ve covered the NFL Draft since 2005, and partnered with great people. But this is the first time I’ve done it as part of a team of people: our Zennie62Media vloggers, and most notably, Zennie62Media NFL Draft Expert Bill Carroll”.

William “Bill” Carroll is now in his fourth decade as a published writer. The Answer Newspaper first carried Bill’s sports column over 35 years ago. Additionally William Bill Carroll, or “Bill Carroll” is a published poet, playwright, and military historian. Bill Carroll is a founding member of MPAACT, and has written for: Black Sports Online, and Football Reporters Online and oversaw HBCU Scouting for Consensus Draft Services. Currently, Consensus Draft Services was in a content-providing relationship with [www.fanspeak.com](https://www.fanspeak.com).

Of course, Zennie Abraham is going on his 19th year of NFL Draft coverage, but Mr. Carroll is returning to the NFL Draft scene after an absence, but overall, he's followed the NFL Draft, or attended it, for over 30 years.

Today, Thursday, February 23rd, Bill and Zennie will talk about the NFL Combine and what to expect at 6 PM EST at Zennie62.com – just look for the NFL Draft Portal and click!

And before that, but still on Zennie62 YouTube Live, at 3 PM PST / 6 PM EST, Zennie will be joined by Casey Pratt of ABC Channel 7 San Francisco / Oakland / San Jose on Zennie62 YouTube, to talk about the Oakland A's ballpark situation in Oakland and Las Vegas.
