What Can Do with CleverGet?

[CleverGet](#) is a powerful online video downloading program that can download videos from more than 1000 websites at 6 times higher download speeds. The CleverGet is so powerful that most online videos can be downloaded including free and paid services. Besides, CleverGet has a built-in web browser that allows users to browse online Video downloads and playback. For example, there was no difficulty [downloading YouTube Music](#) or downloading videos from the [sites to download cartoon](#). In addition, it provides some convenient downloading settings, users can set the maximum download task, and change the home page to any site they like. Before downloading, the Leawo Video Downloader provides detailed information about the downloaded video, such as the name, size, format, and resolution of the Video. If customers have downloaded the music video, they can make use of the [Leawo Video Converter](#) to convert the video to audio formats such as MP3.

Discount and Availability

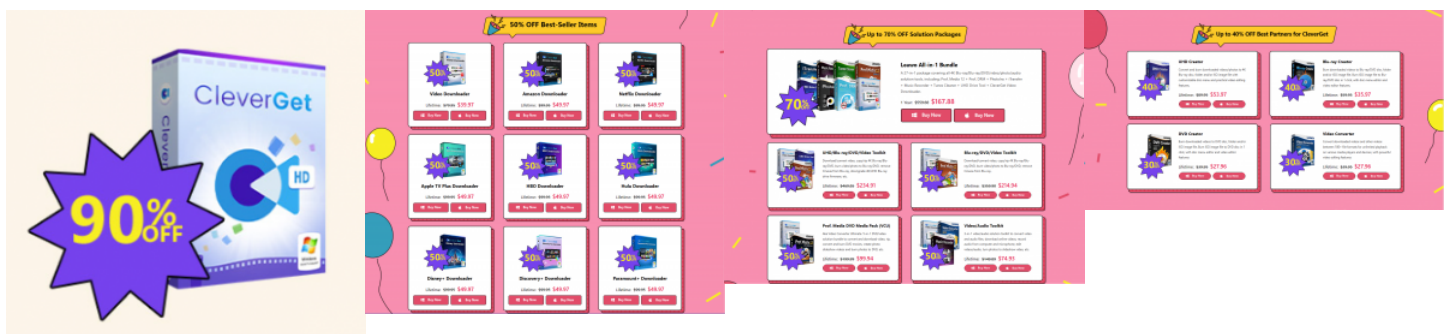

For now, a 90% off discount is available for getting all downloader modules in CleverGet in a bundle. That is to say, people have a chance to buy it at the price of \$209.95 instead of its full price (\$2178.80). 50% off downloader singles can also be found on the top-seller page too, which includes Video Downloader, Amazon Downloader, Netflix Downloader, HBO Downloader, Hulu Downloader, etc.

Both Windows and Mac versions are available on CleverGet's official website, where the free trial version is also downloadable. A free trial version available on the official website will dispel customers' concerns that the Video Downloader can work well before they decide to purchase it.

The sale on Video Downloader will only be available for a limited time. Know more details on the website: <https://www.leawo.org>
