

Dr. Kevin Sadati's MedSpa and Plastic Surgery Establishment Now In Fashion Island:

Dr. Kevin Sadati has been one of the most trusted and reliable plastic surgeons in Newport Beach and is now back with a bang with his newest high-end medical spa and plastic surgery center in Fashion Island to cater to a wider range of audience.

Newport Beach, California Mar 15, 2023 (IssueWire.com) - **Dr. Kevin Sadati** has been one of the most trusted and reliable plastic surgeons in Newport Beach and is now back with a bang with his newest high-end medical spa and plastic surgery center in Fashion Island to cater to a wider range of audience. Equally popular among celebrities, famous personalities, and the common folk thanks to the magic of his treatment lines and the highly affordable cost of the same. This Newport Beach-certified doctor has been doing wonders in the field of plastic surgery and non-invasive facial treatments that has now been extended to fresh locations like Fashion Island.

The lavish opening of Dr. Sadati's newest wellness and treatment center saw several different glitterati and celebs shining on the red carpet that led right up to the entrance. The grand welcome was further enhanced by Champagne which set the mood and kick-started the event. The spiral staircase at the location designed and curated by the famous Kohan Firm was one of the most stunning features of the architecture that steals the spotlight and becomes the star of the show as was evident during the short tour around the facility.

Aston Martin and Chopard, the co-hosts of the evening along with [Dr. Sadati](#) had other surprises waiting in store for the guests. Going up the spiral staircase you would find yourself at a stunning display of jewelry by Chopard that the guests could try and even take a photograph in. While purchases probably had to wait, you could get adorned with beautiful and intricate pieces of ornaments with the finest craftsmanship. The tour ends with the Chopard display following which the guests made their way to the lounge, created and decorated with charisma, and grandeur.

The Gallery of Cosmetic Surgery & Aesthetic Lounge is Dr. Kevin Sadati's brainchild and dream project which is why the luxurious event had everything an esteemed guest would typically expect. Soulful live music further enhanced the ambiance of the lounge where the guests can enjoy exotic cocktails and delicious appetizers as they enjoy their evening with some of the who's who of the industry. The guest list included some of the best names in the domain of plastic surgery as well as celebs who have benefitted from the magic hands of [Dr. Kevin Sadati](#). The behind-the-glass bartending added to the mood and made the event a huge hit amongst all the attendees who sipped on their drink of choice and gorged on the mouth-watering dishes served at the party.

The clinic and wellness center will be opening new doors and avenues for all its patients and showing them a different path to achieving their goals. The wide range of services that Dr. Kevin Sadati and his extremely skilled team of practitioners have brought to the prospective audience is bound to blow your mind. Starting with surgical treatments like Rhinoplasty, Blepharoplasty facelifts, and neck liposuction to non-surgical alternatives like facials, botox, dermal fillers, and cool sculpting, you can choose any procedure that seems like the most promising. And if you are in a dilemma regarding which course of treatment will be the best suited for you, a consultation with Dr. Sadati will help you figure out what would provide you with the most satisfying results.

What makes Dr. Kevin Sadati's Gallery of Cosmetic Surgery & Aesthetic Center popular for its inclusiveness of services? The facelifts for instant can be customized as per the requirement of every patient. Since each individual's needs and visions vary from the rest, Dr. Kevin Sadati has specific treatment alternatives like Ethnic facelift and Facelift by age and age to ensure that all his clients are satisfied and content with the final results that they see.

Dr. Kevin Sadati has already established his own niche and has been helping people to love their appearance with his state-of-the-art treatments and facilities. The devices used for the different facial treatments are all the latest in the industry that is used by industry experts. The entire process starts off with a free consultation following which the patient can start their treatment as per the guidance and instructions of the doctor. And if you are concerned about the safety and the side effects of these procedures, both surgical and nonsurgical, then you can rest assured that your skin is safe in the hands of Dr. Sadati.

With his newest establishment in Fashion Island, Newport Beach certified plastic surgeon Dr. Kevin Sadati starts on his latest venture to help and benefit a newer field of audience. Be it the signs of aging, acute acne problems, and caring, or a case of skin eczema and dryness, you will find something helpful and beneficial at the Gallery which is why many have already begun their journey on the path of self-love, higher self-esteem, and confidence.
