Denver, Colorado Mar 19, 2023 ([Issuewire.com](https://www.issuewire.com)) - [Go Lead Consulting](#), an award-winning provider of business training and development services, is excited to announce the launch of a groundbreaking new training series: AI for Sales & Marketing: Business Training. The first session in this informative and practical series is scheduled for Thursday, April 13, 2023, from 10 am to 12 pm MDT.

The AI for Sales & Marketing: Business Training series aims to equip businesses and professionals with the knowledge and tools needed to harness the power of artificial intelligence (AI) in their sales and marketing efforts. With the rapid adoption of AI technologies, early adopters stand to gain a significant competitive advantage in the marketplace. This event will provide attendees with insights into generative AI, focusing on the powerful capabilities of ChatGPT, a leading generative AI tool.

Attendees of this exciting event can expect to:

- Gain a solid understanding of generative AI and its differences from traditional marketing & sales tools
- Learn how generative AI can be used to enhance communications across multiple platforms, including email, marketing materials, social media posts, and more.
- Discover the power of ChatGPT and how it can help generate high-quality content quickly and efficiently.

- Explore new sales and marketing tools that integrate AI to boost effectiveness.
- Receive practical tips and strategies for incorporating generative AI into your business operations.

This training series offers a unique opportunity for businesses and professionals to stay ahead of the curve in the ever-evolving world of sales and marketing. Don't miss out on this chance to learn from industry experts and discover the power of generative AI for your business.
