

## Julian Lender, DMD, a Dentist with A+ Dentistry, All Seacoast Dental Associates

Get to know Dentist Dr. Julian Lender, who serves patients in Massachusetts.

**New York City, New York May 5, 2023 ([IssueWire.com](https://www.issuewire.com))** - Specializing in general and cosmetic dentistry, Dr. Lender is the honored owner of A+ Dentistry in Massachusetts; All Seacoast Dental Associates in Gloucester.

His unique skills and understanding of patient needs have made him the doctor of choice for many of

Greater Boston's larger cosmetic cases. In particular, his skills in regard to restoring implants have made his offices a popular destination for people desperately in need of a new and beautiful smile.

Dr. Lender worked as a dentist for 11 years prior to his arrival in the Boston area., Dr. Lender graduated with his first dental degree there and worked as a dentist for 11 years prior to his arrival in the Boston area. He then went on to earn his Doctor of Medicine in Dentistry degree from the Boston University Henry M. Goldman School of Dental Medicine in 1994, after which he performed training at the Las Vegas Institute of Neuromuscular and Cosmetic Dentistry.

Always seeking continuing education in all the most "cutting edge" dental technologies and modern techniques has made Dr. Lender an award-winning cosmetic and esthetic dentist. His mother, father, and his younger sister are all dental professionals and excellence runs in the family.

Routinely completing 50-60 hours of continuing education per every two-year licensing cycle, Dr. Lender is also a proud member of the following organizations: Las Vegas Institute of a Neuromuscular and Cosmetic Dentistry, the Academy of General Dentistry, the Academy of Cosmetic Dentistry, the American Dental Association, the Massachusetts Dental Society, and National Register's Who's Who in Executives and Professionals.

Furthermore, he is certified in Invisalign (clear braces), Waterlase (laser dentistry), and conscious sedation.

Dentistry, also known as Dental and Oral Medicine, is a branch of medicine that consists of the study, diagnosis, prevention, and treatment of diseases, disorders, and conditions of the oral cavity. Dentists diagnose and treat dental issues and help patients develop better oral hygiene regimens. They clean teeth, correct bite issues, perform surgeries and extractions, and perform other duties to ensure that the teeth and mouth are healthy.

A standout amongst his peers, Dr. Lender has been named one of "America's Top Dentists" for the years 2009-2015. He is also an avid enthusiast and charitable contributor to youth sports and is a dedicated community servant.

Finally and most importantly, he is the proud father of two beautiful children and he makes his home in the city of Newton.
