

Prosper Germoh The Cameroon gospel artist Musician Has Released a new Album title Eternal Echoes

New Cameroon Gospel Music ????

Douala, Littoral Mar 29, 2023 (IssueWire.com) - Eternal Echoes is ten solid tracks of spirit songs or spiritual echoes released by the Cameroonian Gospel Artist Musician, Prosper Germoh in 2022.

This album starts with a hut track currently on over 2.8 billion online radio podcasts including TuneIn title, "Kadosh".

Kadosh is an irresistible sound from Heaven that is an outpouring from a heart that has been at the place of waiting for eleven whole months now and this is just one of the songs from the album, "Eternal Echoes" an album that is inspired by the word of Prophecy for this year, "The Gathering Clouds

"Kadosh" is a Hebrew word that means "Holy" and I use it to describe my Lord Jesus Christ who is worthy of all my worship. You can find the Word, "Kadosh" in the Book of Revelation 4:8 and Isaiah 6:3

There is more to this song that words can not explain to the fullest.

Just after my nomination at The African Entertainment Awards USA

alongside big African song ministers like Sinach, Mercy Chinwo, Nathaniel Basse, Frank Edwards, Ada Ehi, Deborah Lukalu, Tim Godfrey, Joe Mettle, and Benjamin Dube, I started praying to God thanking Him for the great step and how far He has carried me and I also ask Him to give me songs that will lead billions around the world to worship Him for who He truly is and immediately, He dropped the album title, "Eternal Echoes" in my spirit. As I prayed further, the songs started budding out. Kadosh is just one of these songs in this album and so there is more that will introduce this new era and lead this generation into true worship of Jesus Christ the King.

Talking about "Kadosh", I received it in a vision around 5 AM singing in a big program and had angels backing me up in that program and uncommon things were happening as the song was going on. I got both the full lyrics of the song and its melody. Jesus is Holy, He is faithful and just.
