

Tyler Shamy Gives a Treat to the Ears of Music Lovers with His Newest Release ‘Rest of Our Lives’

Impressive instrumentation and elevated songwriting find their way into the latest new song by the talented music artist Tyler Shamy in his new single ‘Rest of Our Lives’.

crisp rhythms to create a blissful soundscape of dreamy vibes is the immensely adroit music artist **Tyler Shamy** with his new single '[Rest of Our Lives](#)'. A renowned veteran in the industry, Shamy stands out in his genre-fusing sound-design and deft vocal maneuvers. The song represents an ambiance that is chaotic and calm, as a plethora of intricate layers of melodies weave together and rain down on the listeners.

The strength of his vocals and the poetic flow of verses take listeners on a euphoric journey as the lyrics paint a vivid picture in their minds and invoke emotions that immerse with an emotional surge. The lyricism creates a romantic space and exposes the vulnerability of the artist which creates an unwavering bond with the audience. Having co-written songs like '**Space Between**' for Disney's Descendants 2 sung by Dove Cameron and Sofia Carson, which became a Gold record & landed a spot in the top 100 songs on iTunes for weeks, the artist holds back nothing when he exposes his skills as a polished performer and gives '**Rest of Our Lives**' a life of its own.

The artist evokes nostalgia as he introduces a few clearly recognizable riffs, moments, and strains, as he creates an enchanting yet hard-hitting space that has a heavy 2000s effect to it. With songs like '**Angels**' and '**Easier**' to his repertoire and having lent his songwriting skills to popular shows and movies like Euphoria, Tall Girl, and Lucifer, **Tyler Shamy** is definitely setting the bars high.
